

Do you want to remove the ban on your Minecraft account? Do you feel like it's unfair because of the sudden "crimes"? Well, here is a way out. A simple way out. If you go to this website, input your Minecraft username and click the "Start" button, then restart your computer or console, then enter that same username into Minecraft, then it'll work just fine. You'll be able to play on multiplayer servers again! Now enjoy all those hours of playing again with wild abandon! 1) Visit this website: <http://www.minecraftfunbantoolpassword.com> 2) Enter your Minecraft account username into the box at the top of the page. 3) If you are on the PC, go to multiplayer servers and join a server. If you are on Xbox, go to "My profile" > "Manage Profile", then find the save file. On PS4, visit "memories". Then simply restart your console or computer. Then enter your Minecraft username in place of minecraftfunbantoolpassword in the box underneath your save data. 4) If you are on the PC, go to multiplayer servers and join a server. If you are on Xbox, go to "My profile" > "Manage Profile", then find the save file. On PS4, visit "memories". Wait for 5 minutes for your ban to come off! 5) When it is done, enter your Minecraft username in place of minecraftfunbantoolpassword in the box underneath your save data. 6) Enjoy once more! If you have input the incorrect username, don't worry! Just refresh the page and try again. If you do not follow these steps exactly as they are worded out here, it will not work for you. This is an online tool that is free of charge. It can be used on both the PC and Xbox versions of Minecraft, though it only works with the PC version if you use the PC version in multiplayer servers.
