Useful for Long term Pirates as permanent labour and Officer Badges save time/effort over grinding in game currency for monthly badges. Shame it didnt carry over for the palour badges and gives only a 1 month. But guess thats there to keep the money coming in from the poker players. out of the 3 DLC this is th only useful one with other two being more for looking good than being useful. its a fair amount but if youre planning to play long term its worth it.. best. pack. ever.
